What are the boulders you need to remove in your life so you can enjoy the benefit of God's peace? We can't remove them ourselves. We need the help of God and others.

Write the name of your boulder on your rock and place them on the altar before God. Ask God to help you break the chain that connects you to your boulder today. God wants to transform us from the inside out. You can have victory. You can have peace.

Share about your boulder with someone else. You will find that you are not alone in your struggle.
